

# Liberty Elementary

K - 2nd  
Grade

School Day Hours: 8:45-3:30

17901 205th Avenue

763-262-8100

Principal: Caryl Gordy  
c.gordy@biglakeschools.org

## About Liberty School

- Our youngest learners start their educational journey at Liberty, which houses kindergarten through second grade.
- Early childhood family education and preschool classes are also held at Liberty, which creates a very smooth transition to kindergarten for children and families.
- Liberty teachers utilize a family communication app called Seesaw to update parents throughout the week with pictures and instant messages.
- Liberty develops lifelong learners by making learning fun through special events like pumpkin parades, Upstander Day, Dr. Seuss' birthday celebration, and many more.
- Staff focus on teaching students about community, and how each student plays a role in creating a positive environment.
- Students are introduced to STEM programming during STEAM days held throughout the school year. This program focuses on developing hands-on problem solvers and great collaborators. STEM curriculum is available districtwide.
- Liberty students follow the district's behavior philosophy, the Hornet Way. This behavior model focuses on 5 traits: respect, honesty, kindness, responsibility, and fairness. Students' dedication to this model creates a safe, bully-free atmosphere.

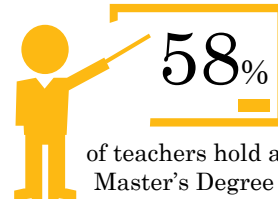

653
