

Big Lake High School

9th - 12th
Grade

School Day Hours: 7:30-2:15

501 Minnesota Ave

763-262-2547

Principal: Bob Dockendorf
b.dockendorf@biglakeschools.org

About Big Lake High School

- Teachers focus on building positive relationships with students, and being easily accessible through programs like STING (Student Targeted Instruction and Goals) to provide academic support.
- Career pathways program allows students to explore different career interests by offering a sequence of interconnected academic classes revolving around a subject or industry theme.
- Districtwide focus on STEM comes full circle at the high school where students will find many Project Lead the Way (PLTW) courses to take at every grade level.
- Home to REAL (relevant experience through apprenticeship learning) - an award winning college and career readiness program. REAL focuses on providing students with hands-on learning opportunities through apprenticeships, entrepreneurship, and on-the-job training.
- Motivated, college-bound students can start earning college credits early by taking advanced placement (AP), college in the classroom (CIC), or post-secondary education option (PSEO) classes.
- Students can choose from 40+ afterschool activities in athletics, fine arts and clubs. Big Lake is a member of the Mississippi 8 conference.
